

GOD IS CREATOR

UPVPC KIDS ONLINE: NOVEMBER 15, 2020

HERE'S WHAT HAPPENS...

In response to Job's questions about his suffering, God speaks. He declares the wonder of his creation, showing that he's in control because he made everything just as he planned. In Psalm 8, David marvels at what God has made, pointing out that God put humans in charge of his creation.

Psalm 8:1, "O Lord, our Lord, how majestic is your name in all the earth! Your glory is higher than the heavens!"

WHAT YOU'LL NEED THIS WEEK...

- Bible
- Pencils
- Paper
- Crayons or Colored Pencils
- Cupcake liners
- Glue sticks
- 3 -ounce cups
- Toothpicks
- Flashlight

THIS WEEK'S ACTIVITIES:

Star Gazers Craft: Kids will make constellations that can shine on the ceiling, reminding them that God made the stars and knows them by name.

Nature Collage: Kids will draw their favorite parts of creation and hang them on the fridge or wall as a reminder to thank God for his creation.

Nature Walk: Families will look for evidence of God's creative design in nature.

Critter Creation Room Runs: In this high energy game, kids will imitate different animals as they race across the room.

STAR GAZERS CRAFT:

SUPPLIES NEEDED -

- Cupcake liners,
- Black construction paper,
- glue sticks,
- 3- ounce cups,
- toothpicks, flashlight,
- 'Job's Constellations' attachment

Step 1: Trace the bottom of a cupcake liner onto black construction paper. Cut out the circle and glue to the bottom of the cupcake liner.

Step 2: Place the cupcake liner upside down over the mouth of a cup.

Step 3: Use a toothpick to poke holes in the cupcake liner. You can make up your own constellations or copy the ones from the handout. Repeat as many times you like.

Step 4: Place the cup over your flashlight and aim at the ceiling, turning the flashlight on to see your constellations on the ceiling.

NATURE COLLAGE:

SUPPLIES NEEDED -

- Paper
- Crayons/Colored Pencils

Step 1: Draw something that God created on your piece of paper.

Step 2: Hang pictures on the wall in one big group collage.

Step 3: Pray - Thank you, God, that you are creator! Thank you for making everyone in this room. And thank you for making (list what kids chose to draw). In Jesus' name, Amen.

FAMILY NATURE WALK:

As a family, go on a nature walk. Find a park or other natural area where you can look around.

Too cold or rainy? Go outside and quickly gather a few natural items you can bring inside—a leaf, a stick, a rock, and a blade of grass, for example. You may even have God-made items inside already such as houseplants, fruit, pets...or each other!

As you look around outside or examine the natural items you brought in, look for evidence of God. Share what you discover!

CRITTER CREATION ROOM RUNS:

Kids act out various animals and movements as they race across the room. Here are the list of animals and actions they are asked to act out.

1. Blindly Backstroking Billygoat
2. Neighborly Leapfrogging Tiger
3. Cuddly Skipping Snipe
4. Cowardly Slithering Woolly Mammoth
5. Stealthily Slithering Pegasus
6. Gently Sliding Anteater
7. Bleakly Discoing Heffalump
8. Burley Galloping Unicorn
9. Extravagantly Dancing Crocatiel

If you would like to make up your own Critter Creations simply come up with an animal, a way to move, and a descriptive word ending in -ly.
