

# GOD DOES THE IMPOSSIBLE

UPVPC KIDS ONLINE: December 6, 2020

## HERE'S WHAT HAPPENS...

God sends an angel to tell Mary and Joseph about Jesus' upcoming birth. God gives a lot of specific details, and many of them seemed impossible. But God does the impossible! Jesus was born just as God said he would be.

Luke 1:37, "For nothing is impossible with God."

## WHAT YOU'LL NEED THIS WEEK...

- Bible
- 15 Thumbtacks
- 3x5 Index Card
- Balloons

## THIS WEEK'S ACTIVITIES:

**Blind Man's Walk:** Kids will work their way across the room and back with their eyes closed while only taking baby steps.

**It Doesn't Pop!:** Kids will witness the impossible as a balloon will not pop when set up against thumbtacks.

**That's Impossible:** Kids will play a combination of I Spy and 20 Questions to discover the impossible things around them.

**Family Discussion:** Provides questions for families to work together through.

## BLIND MAN'S WALK

**Part 1:** Kids will start on one side of a room and close their eyes. They will work their way across the room and back with their eyes shut while only using baby steps.

**Part 2:** Kids will repeat part 1 except this time they will have a partner leading them to the other side of the room and back. Partners can guide them by holding their arm or they can guide them by giving them instructions on where to go.

## THAT'S IMPOSSIBLE!

**Step 1:** Pick someone to go first. Have this person look around and secretly choose an object, like they would in I Spy.

**Step 2:** (For older kids) Say something that would be impossible to do using that object...for example, it would be impossible to eat soup with a key. (For younger kids) Play I Spy as you normally would.

**Step 3:** Everyone else will ask yes or no questions to identify the item.

**Discuss:** What are some things that God has done that would be impossible for us to do?

# NOTHING IS IMPOSSIBLE WITH GOD.

- LUKE 1:37

## IT DOESN'T POP! SUPPLIES:

- Thumb tacks
- Index card
- Balloons

**Step 1:** Stick 15 thumbtacks in a index card and secure with tape if necessary.

**Step 2:** Inflate a Balloon

**Step 3:** Push the balloon onto the thumbtacks. It won't pop!

## Debrief:

Why does setting the balloon on the tacks without it popping seem impossible?

Read Luke 1:37 - We can trust God because nothing is impossible with him.

## DISCUSS:

1) What is something that feels impossible right now?

2) Why can we trust God to do what he says?

3) Pray thanking God that we can trust in him because he does the impossible.
